Call for posters at the *'Innovations in Advanced Practice Education: The Time is Now' Conference 2017*

The Association for Advanced Practice Educators (AAPE) UK will host a poster session at the conference in Salford on 3rd March 2017, and delegates are invited to submit an abstract for consideration.

We welcome abstracts on research, good practice, innovations in Advanced Practice Education. Abstracts are welcomed from all disciplines, across health and social care.

If you are involved in a project or initiative around the theme of the conference, this is your opportunity to present your findings, showcase your work, share your experiences, discuss the outcomes, and get valuable feedback from colleagues.

The abstract is a short description of your work and should contain an introduction, aims & objectives, details of the initiative or project, results & outcomes, and conclusions & impact of the work.

There are a limited number of poster slots available and abstracts will be reviewed by a panel of experts. Authors will be notified if their abstract has been successful and given further information on preparing a poster for the event.

Accepted authors will be required to register and pay to attend the conference, in order for the abstract to be eligible for display at the conference, inclusion on the programme and on the AAPE UK website. Authors will be expected to stand with their poster during a specified time to answer any questions from attendees.

The posters will then be judged by the attendees at the conference and the best poster will be awarded a prize on the day.

Abstract submission deadline: 3rd February 2017

Authors will be notified of acceptance by: 10th February 2017

Please complete the form overleaf and return it together with your abstract in Word format to a.s.gloster@salford.ac.uk

Abstract submission form for poster session

Innovations in Advanced Practice Education: The Time is Now
